

**CrossPointe Church**  
**3/6/22 — Starting Pointe #4**

We exist for God's glory by committing ourselves to God's truth, God's people, and God's mission.

**Outline:**

**CORE VALUE #3 - GOD'S MISSION (What We Do)**

**The Gospel drives God's People into God's Mission.**

- The Gospel forms our view of God's mission.
- The Gospel informs our participation in God's mission.
- The Gospel nurtures a culture of compassion and urgency for God's mission.

**To glorify God, we commit ourselves to God's mission. We seek to join God in His mission by loving Him, loving others, and proclaiming the Gospel.**

**God's mission is the Great Commission: making disciples of all nations. (Matthew 28:18–20, Luke 24:44–49, Acts 1:8)**

**How do we commit to God's mission as CrossPointe Church?**

**1. We are a people in place on mission. (Corporately)**

- We pray weekly for unreached people groups, countries, and missionaries.
- We give financially to local and international ministry and mission organizations.
- We go by sending short-term mission teams around the world.
- Acts 1:8 - We live on mission in our city, state, country, and world.

**2. We are a people in places on mission. (Small Groups and Individually)**

- What? See God at work / Join God at work
  - See needs, meet needs
  - Sharing the Gospel personally
- Where? Right where you are!
- Every Christian lives on mission with God every day.

## **Small Group Discussion:**

1. What in the Word or the sermon spoke to you?
2. What is God's mission?
3. Read Matthew 28:16-20.
  - What does it mean that all authority has been given to Jesus?
  - How does His authority impact how the church should respond to the Great Commission?
  - Why is baptism important? Have you been baptized? Is the teaching in verse 20 only for pastors? Should all Christians be teaching one another?
  - How should knowing that Jesus, who has all authority, has promised His presence with the church to the end of the age impact the way the church fulfills the Great Commission?
4. How does the Gospel form our view of God's mission? How does it inform our participation in God's mission? How does it cultivate a culture of compassion and urgency?
5. How and where can you personally commit to joining God's mission in your life?
