Psalm 32 - The Righteous Response to Sin

1. The righteous have a different relationship with sin. (v. 1–2)

*Blessing 1: Their transgression is forgiven.

*Blessing 2: Their sin is atoned for and silenced.

*Blessing 3: Their iniquity is no longer counted to them.

2. The righteous still face sin and must respond to it. (v. 3–7)

*The Spirit responds to our present sin in loving conviction.

*We must respond in honest confession and repentance.

*Rightly responding to sin clears and corrects our vision.

3. The righteous experience God's faithfulness. (v. 8–11)

*The LORD is committed to teach us and stay with us.

*Our lives should reflect God's faithfulness.

*The wicked have no hope, but the righteous are never without hope.
